

**Organized by:** Department of Computer Science & Engineering **Institute:** S.G. Balekundri Institute of Technology, Belagavi

Dates: 12th & 14th May 2025

Venue: Shiv Kumar Sambargimath Seminar Hall

### **©** OBJECTIVE

The Mini Hackathon aims to foster **innovation**, **technical creativity**, and **collaborative problem-solving** among first-year students by immersing them in a practical, team-based coding and hardware-building competition.

#### **ELIGIBILITY & TEAM GUIDELINES**

- Participation is open exclusively for First-Year students of SGBIT.
- Each team must consist of 3 to 4 members.
- Interdisciplinary teams are encouraged.
- Teams must be registered officially and confirmed by Faculty Conveners before participation.

#### **REGISTRATION DETAILS**

- Registration must be done in Offline mode
- Deadline: 11th May 2025 by 5:00 PM.
- Neither late entries nor on-spot registrations will be accepted.
- All team members must be present during registration.

#### **INFRASTRUCTURE & LOGISTICS**

- Participants must bring their own laptops(minimum two laptops are mandatory in a team
  of 4 students), chargers, development kits, and all required electronics/devices.
- No power strips or switchboards will be provided. Devices must be fully charged to 100% before arrival.
- Internet access may be limited; please arrange local resources if needed.
- The seminar hall will open **30 minutes before** the start of the event each day.

#### ■ GENERAL RULES & CODE OF CONDUCT

- 1. All students must wear their college ID cards at all times.
- 2. Teams must work independently; external help or plagiarism is strictly prohibited.
- 3. Maintain a professional and respectful environment within the venue.
- 4. Teams must be ready for evaluation at the designated time. Delays may lead to disqualification.
- 5. Participants are responsible for their own belongings.
- 6. Any form of misconduct may lead to immediate disqualification.
- 7. Decisions by the jury will be final and no appeal in any form will be entertained.

## 8. Participants must come in formal (white shirt and black) dress

### **EVALUATION CRITERIA**

Parameters	Weightages
Problem Understanding	15%
Innovation & Creativity	20%
Technical Feasibility	20%
Execution & Functionality	25%
Presentation & Communication	10%
Teamwork	10%

# **RECOGNITION**

- Participation Certificates for all eligible teams.
- **Top 2 Teams** will receive recognition awards.
- Selected teams may be considered for mentorship and future hackathons.
